

TENTS ANNUAL CONFERENCE 2015

KCMC - MOSHI, TANZANIA

The Tanzania ENT Society (TENTS) welcomes the delegates from different faculties around the world and locally to this year's TENTS ANNUAL CONFERENCE to be held at KCMC, Moshi.

This year's conference has attracted what is believed to be largest number of participants from different fields.

Various initiatives have been taken during the year which has seen the TENTS body more active in the various areas.

Below listed are the various delegates from different parts of the world and information on the accommodation and agenda of the conference.

It is our hope that everyone will not only benefit from the various presentations and workshops but also enjoy the atmosphere and the nature in the surroundings of the event location. We hope that we are able to meet your expectations. However, incase of any shortfall in hospitality we request you to over-look, bear with us and highlight them to us so that we can improve and serve you better during the next such event.

Accommodations

All participants are required to book their own accommodation. Below is the list of hotels that are in close proximity to the event location and recommended by TENTS.
